To Whom It May Concern:

The Office of Research Administration at the University of New Mexico acts as a clearinghouse for funding opportunities for faculty and graduate students, and the community at large. To expedite the preliminary funding search the Office of Research Administration maintains a grantsmanship library and resource files including annual reports, guidelines and application forms, current areas of interest, program announcements, etc.

I would appreciate receiving such information. If you maintain a mailing list we would like to be included. Thank you for your consideration.

Sincerely,

Denise A. Wallen
